

## Haddenham Patient Group - PPG 200 Club Lottery 2019

In 2018 the PPG 200 Club purchased for the Haddenham Medical Centre a Fingertip Pulse Oximeter (Paediatric), 2 Multi Reading/Recording BP monitors and 2 additional High-Backed Armchairs for reception. The PPG also worked on new dementia friendly signage project with the Medical Centre. The first stage of this project has now been installed. The cost of the full project is going to be in excess of £3,000 and has been made possible by generous grants from the Haddenham Beer Festival Trust and the Haddenham Fete Committee.

The PPG is also planning to run events in 2019 dealing with some of the more pressing health and related issues of today. In the Spring of 2019 we will stage a playlet called "Connie's Colander" which deals Dementia and will be performed at the library.

Please help support our 2019 programme by joining PPG 200 Club Lottery.
