Or was it a malicious human hand that claimed Dad's life? u3a General Meeting

Tuesday 14th May 2024 @ 2:15pm
Village Hall

Please note earlier time (2.00pm for 2.15pm) as there will be a short AGM before the talk.

We welcome Martin Holmes back to give a talk on "Harold Wilson" Interesting Times". Harold Wilson was

four times election winner for Labour between 1964 and 1976, when he surprisingly resigned. His popularity with the public was not always matched by his own party where many believed he betrayed socialism. He kept Britain out of the Vietnam war, despite American pressure to join, and held a referendum in 1975 on EEC membership resulting in a resounding success to remain.

Wilson was associated with social liberalisation policies, the 'permissive society', but it is doubtful how much he supported these.

Visitors who may like to find out more about the local u3a and our many special interest groups are welcome to have a taster visit, before joining, at no cost. To find out more about the u3a and join, please contact Elaine Parkes, Membership Secretary, membership@haddenhamu3a.co.uk, or visit our website www.haddenhamu3a.co.uk
