Haddenham Festive Trail 12-31 December 2020

Entries marked with  red baubles and listed overleaf - in *tiny print* as there are so many! Most entries should be lit 4-8pm, although individual displays may vary, especially those lit by solar power! There are plenty of other houses lit up for Christmas not on this list. Please observe social distancing and kindly do not enter private property unless invited to do so. Remember to vote for your 3 favourites - details overleaf & on posters in the village! Merry Christmas!
